Ilex verticillata 'Winter Red'
(Winter Red common winterberry)

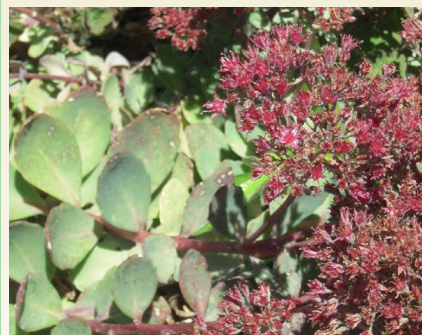

A deciduous holly that is starting to show its bright red berries. In the winter the berries will cover this bare shrub.

Coreopsis verticillata
(Tickseed)

This member of the *Asteraceae* family adds bright color to autumn beds.

Sedum 'Vera Jameson'
(Vera Jameson sedum)

A bright red member of the *Crassulaceae* family (stonecrop).
