A WORD OF RECOMMENDATION FROM YOU WOULD BE GREATLY APPRECIATED

10/25/23.

Miss Morris made a personal loan to Mrs. Drexel on this date in amount \$2,000.00; the transaction being evidenced by check #1334 for that amount drawn to the order of Elizabeth T. Drexel on the Pennsylvania Co.

The understanding was that the loan is to be without interest and is not to appear as a matter of record on our books. It is further understood that Mrs. Drexel will turn over to Miss Morris the quarterly dividend checks payable to her from an endowment fund created under the will of John T. Morris in amount \$145.14 but that in addition Mrs. Drexel will use every effort to see that the indebtedness is liquidated at a much earlier date, if possible. My instructions are to deposit these checks and similar amounts which may be made on account to the credit of Miss Morris in the Pennsylvania Company with the understanding that such amounts are not to appear as a credit to the income account.
