November 26, 1925.

Dear Mr. Russel:

My bill for services rendered November 23rd/will
be \$10.00.

I had an opportunity to see the man to-day that
I was speaking to you about to manage the Poultry Farm for you.
He seemed quite elated when I told him about it. I would be
glad to arrange for you to meet him. I feel sure he is the man
you need.

Enclosed is one of my circulars. I will be glad
to reserve any number of Barred Rock chicks for you. I would
suggest that you get the Grade AA. I have some excellent flocks
lined up. One flock in Delaware County of 500 breeders has been
culled by me for five seasons. I will get the entire output of
these eggs. They are sure to please the most particular people.

I have a farmer here who wants six of those males
you have. What arrangements can he make to get them? He needs them
badly. He happens to be a cousin of Arthur Anders, the man who
"tried" to caponize your cockerels a year or so ago.

In case you ever want to call me, my phone number
is----CENTER POINT 44

Sincerely yours,

L. W. Steelman
